

Boost Maths UK

Digital Policy

Rev 01 - 30th March 2026

Boost Maths UK – Digital Content & Usage Policy

1. Purpose of This Policy

This Digital Content & Usage Policy outlines the terms under which Boost Maths UK provides access to digital materials, online lessons, resources, and learning platforms. By purchasing, accessing, or using any Boost Maths UK digital content, users agree to comply with this policy.

2. Ownership of Digital Content

All digital materials provided by Boost Maths UK—including but not limited to videos, worksheets, lesson slides, practice questions, revision guides, assessments, and online portal content—are the intellectual property of Boost Maths UK. Users receive a personal, non-transferable licence to access the content for their own learning. No ownership rights are transferred at any point.

3. Restrictions on Copying

Users must not copy Boost Maths UK digital content in any form, including screenshotting or photocopying materials, downloading or saving content beyond what is intentionally provided, replicating questions, explanations, or designs, or recording online lessons or screen capturing sessions. Any form of duplication, in full or in part, is strictly prohibited.

4. Restrictions on Distribution

Users must not distribute Boost Maths UK digital content to any third party. This includes sharing files, worksheets, videos, or course materials; forwarding emails or login details; posting content to social media or online platforms; or allowing others to access paid materials or accounts. Account sharing is not permitted and may result in immediate access removal.

5. No Refund Policy

Due to the nature of digital educational products, all purchases are final and no refunds will be issued for digital content, online courses, or subscriptions. Refunds are not provided for change of mind, technical difficulties caused by the user's device, or unused access.

6. User Responsibilities

Users agree to keep login details private and secure, use content solely for their personal educational purposes, ensure they have suitable devices and internet connection, and respect the integrity and confidentiality of all digital materials. Any breach may result in the suspension or termination of access without refund.

7. Limitation of Liability

Boost Maths UK is not responsible for loss of data caused by user error, technical issues related to third-party platforms, or inability to access materials due to user hardware or network limitations. Support will be provided where possible, but continuous availability cannot be guaranteed.

8. Policy Updates

Boost Maths UK reserves the right to update this policy at any time. Users will be notified of significant changes via email or platform announcement.

9. Acceptance of Policy

By purchasing or accessing Boost Maths UK digital content, users confirm that they have read and understood this Digital Policy, agree to comply with all terms stated, and understand the consequences of misuse.
